YOU (ALMOST) HAVE YOUR
DEGREE, NOW WHAT?

ENGINEERING & BUSINESS ENGR4880

Leadership and Purpose in a Complex World

TOPICS

- Leaders and Leadership
- Decision Making
- Organizations and Teams
- You and Your Purpose

Dialogue, discussion, team interactions and a summit of Mt. Everest (virtual) will be complemented with insights from guest speakers.

FALL 2023 – Tues/Thurs 9:30 – 10:45 AM

Classes will be hosted by Blair Okita, a UVA Engineering graduate, who has led Process Development, Manufacturing and Quality Organizations at start-ups, mid-size, and multinational biopharmaceutical companies.
